ENTRANCE  
▲

A-Gallery is an event venue located in the center of Milan, in the Brera district. In addition to hosting private and corporate events, it can be set up for exhibitions and used as a photography studio. It is a flexible, non-formal space, intentionally unfinished and deliberately raw.

A-Gallery is an open-plan space with a total indoor surface area of 200 square meters. Inside, it can be divided into three areas of different sizes using two movable walls, making it suitable for any type of activity.
